Mr. Les Smith
American Bank Draft
Coppell, TX 75019

January 16, 2004

Lamb & Lion Ministries is very pleased in using your services. We have supporters of our ministry that prefer not to write a personal check to us, but have checks drafted electronically from their bank accounts. Your company allows them to contribute to us on a regular basis in a convenient manner for them and for us. Thank you for all your help.

Sincerely,

George Collich
Administrative Minister
